

# In My Eyes

Rufio

You're graceful, your grace falls  
down around me in my eyes.  
You're lovely, your love leaves  
So easily in my eyes. Another day left waiting  
alone in my room with no calls from you.  
So I call you up, but you let me down  
falling down around everyone EXCEPT yourself. I thought that this would never end  
things were so clear but they fell through.  
High hopes of problems never failed  
thinking of the best.  
You're graceful, your grace falls  
down around me in my eyes.  
You're lovely, your love leaves  
So easily in my eyes.  
In my eyes Another day left crying  
with you in my room with nothing left to do.  
You say that it's not right, you said its over now.  
Stand still annoyed with no one around. I thought that this would never end  
things were so clear but they fell through.  
High hopes of problems never failed  
thinking of the best.  
You're graceful, your grace falls  
down around me in my eyes.  
You're lovely, your love leaves  
So easily in my eyes.  
You're graceful, your grace falls  
down around me in my eyes.  
You're lovely, your love leaves  
So easily in my eyes.
