

# Joy to the World

## Mannheim Steamroller

I remember it clearly  
A year ago and I'm here today  
Just like you said that day  
So simple in your own way  
No doubt that both of us are insane  
Do you remember the day we met  
Said words I can't forget  
So much I think of what you do  
Just like you said that day  
So simple in your own way  
No doubt that both of us are insane  
Sometimes it gets instilled  
Sometimes it feels too real  
And I can say this is the deal  
I'd like forever and ever  
I'll never love again  
Can't you see that I'm in  
I'll never know another you  
What you do
