Waking the Demon

Bullet for My Valentine

Oh!

...2, 3, 4!

Helpless!

My eyes are bleeding from the fear that's inside!

You sealed your demise when you

Took what was mine!

Don't try to stop me from avenging this world! No voice to be heard

Waking the demon!

Where'd you run to?

Walking in shadows!

Watch the blood flow!

There's not much longer

so don't try and hide

Your body's weakening

walk to the light!

Those painful times so alone, so ashamed!

I'm not coming back, there's nothing to gain!

Caution!There's just no limit to the boundaries you push!

I've warned you but still you just

Fuck with my mind!

There's no escape from this rage that I feel!

Nothing is real!

Waking the demon!

Where'd you run to?

Walking in shadows!

Watch the blood flow!

There's not much longer

so don't try and hideYour body's weakening

walk to the light!

Those painful times so alone, so ashamed!

I'm not coming back, there's nothing to gain!Breathe for me!

Don't wake me from this slumber

Stay with me!

Possession taking overBreathe for me!

Don't wake me from this slumber

Stay with me!

Possession taking overWhoa!

Tread!

Breathe for me!

Don't wake me from this slumber

Stay with me!

Possession taking over

Breathe for me! Don't wake me from this slumber Stay with me! Possession taking over Waking the Demon! Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
