

Groove Me

Angie Stone

Awww, sookie sookie now!
Hey! Oww, uhh! Come on, baby!
Hey there, Sugar Dumplin',
Let me tell you something
Boy, I've been trying to say.
You look so sweet,
And you're so doggone fine.
Just can't get you out of my mind.
You've become a sweet taste in my mouth.
And now I wanna be your spouse,
Oh that we can live happily, nah-nah,
In a great big ol' roomy house.
Just as long as you groove, baby.
Ohh, yeah.
Make me feel good inside.
Come on and groove me, baby.
I need you to groove me darling.
Ahhh, yeah, make me feel good inside.
Come on and groove me baby
Uhh, I need, groove me darling.
Uhh, yeah yeah. Uhh
Hey there, Sugar Dumplin',
Come on, give me something
Boy, I've been needing for days.
Yes, I'm good, good loving,
Plenty, plenty hugging.
Ooh, you sweet little thang, you.
Boy, between you and me, nah-nah,
We don't need no company.
No other man, no other girl
Enter into our world,
Not as long as you groove, baby. Boy oh yeah yeah
Come on and groove me, baby.
I need, groove me darkling, boy.
Uhh! Groove me, baby! Come on and groove me!
Hey, oh yeah
I, I, I, I want you to groove
Come on and groove me, baby.
