## **Guys Do It All the Time**

## **Mindy McCready**

(bobby whiteside/kim tribble)Got in this morning at 4 a.m.

You're as mad as you can be

Well I was drinking and talking and you know how that goes

Time just slipped away from me

By the time I knew what time it was

It was too late to call home

Stop carrying on acting like a child

I wasn't doing anything wrongGuys do it all the time

And you expect us to understand

When the shoe's on the other foot

You know that's when it hits the fan

Get over it, honey, life's a two way street

Or you won't be a man of mine

Sure I had some beers with the girls last night

Guys do it all the time

I know I left my clothes all over the place

And I took your twenty bucks

No I didn't get the front yard cut

'cause I had to wash my truck

Will you bring me a cold one, baby

And turn on the tv

We'll talk about this later

There's a ball game I wanna seeGuys do it all the time

And you expect us to understand

When the shoe's on the other foot

You know that's when it hits the fan

Get over it, honey, life's a two way street

Or you won't be a man of mine

Sure I had some beers with the girls last night

Guys do it all the time

You look like you just took a long look in the mirror

Tell me baby if things don't look a whole lot clearerGet over it, honey, life's a two way street

Or you won't be a man of mine

Sure I had some beers with the girls last night

Guys do it all the timeYeah, guys do it

Yeah, guys do it

All the time, all the time

Yeah, guys do it

Yeah, guys do it
