

Boombbox (Rymez remix) [feat. R.I.O]

Vida & R.I.O

Never go anywhere without my boom box
Sitting havin' breakfast chillin' with my boom box
Hold up, take a minute listen to my boom box
All the boys gather round just to see my boom box
Ain't no way your gonna turn me down
boom box
Love it when the speakers go k pow boom box
Everybody's lookin' at it, they wish they had it
Never heard anything this loud boom box
I wanna wanna wanna hear my boom box
From the car to my room to the roof tops
I wanna wanna wanna hear my boom box
All I need is me and my boom box
It makes me go, boom b b boom boom boom
It makes me go, boom b boom b boom boom
Yeah It makes me go, boom b b boom boom boom
It makes me go, boom b boom b boom boom Boom box
Walkin' down the street and they follow my boom box
Crazy for the beat bopping to my boom box

See the taxi cabs as they pull up
Ain't no way your gonna turn me down boom box
