

# Power to Redeem (feat. All Sons & Daughters)

[Lauren Daigle](#)

You take what is  
And you make it beautiful  
When love floods in,  
We're resorted forever more  
With breath that brings the dead to life,  
With words that pierce the dark with light  
Only by the blood are we set free.  
With mercy strong to carry shame  
and nail it to a tree You alone  
hold the power to redeem.  
No guilt competes  
with innocence crucified.  
No grave can hold what your grace has justified.  
With breath that brings the dead to life,  
With words that pierce the dark with light  
Only by the blood are we set free.  
With mercy strong to carry shame  
and nail it to a tree You alone  
hold the power to redeem. Rejoice oh child of God  
Lift your eyes to see  
With every morning light,  
Again we are redeemed Rejoice oh child of God  
Lift your eyes to see  
With every morning light,  
Again we are redeemed  
With breath it brings the dead to life,  
With words that pierce the dark with light  
Only by the blood are we set free.  
With mercy strong to carry shame  
and nail it to a tree You alone  
hold the power to redeem. Oh you alone, hold the power to redeem  
Oh you alone, hold the power to redeem  
Oh you alone, hold the power to redeem
