Beloved

Jordan Feliz

Head full of questions, how can you measure up? To deserve afftection to ever be enough For this existance When did it get so hard? Your heart is beating, alive and breathing And there's a reason why You are essential, not accidental And you should realize You are beloved I wanted you to know You are beloved Let it soak into your soul Oh, forget the lies you heard Rise above the hurt And listen to these words You are beloved I wanted you to know You are beloved You are beloved Sometimes a heart can feel like a heavy weight It pulls you under and you just fall away Is anybody gonna hear you call? Oh, oh But there's a purpose Under the surface And you don't have to drown Let me remind you That love will find you Let it lift you out You are beloved I wanted you to know You are beloved Let it soak into your soul Oh, forget the lies you heard Rise above the hurt And listen to these words You are beloved I wanted you to know You are beloved Don't be afraid Don't let hope, faith keep your eyes fixed on the line above
