Midnight at the Oasis

Renee Olstead

Midnight at the oasis Send your camel to bed Shadows paintin' our faces Traces of romance in our heads Heaven's holdin' a half-moon Shinin' just for us Let's slip off to a sand dune, real soon And kick up a little dust Come on, Cactus is our friend He'll point out the way Come on, till the evenin' ends Till the evenin' ends You don't have to answer There's no need to speak I'll be your belly dancer, prancer And you can be my sheik I know your Daddy's a sultan A nomad known to all With fifty girls to attend him, they all send him Jump at his beck and call But you won't need no harem, honey When I'm by your side And you won't need no camel, no no When I take you for a ride Come on, Cactus is our friend He'll point out the way Come on, till the evenin' ends Till the evenin' ends Midnight at the oasis Send your camel to bed Got shadows paintin' our faces And traces of romance in our heads
