

Look Homeward Angel

Cliff Richard

Look homeward, angel
Tell me what you see
Do the folks I used to know
remember me?
Look homeward, angel
Eye my lady fair
Does she dream about the love
we used to share?
So she'll know how very much I miss her
Angel, while she's dreaming,
won't you kiss her?
Look homeward, angel
One thing I must know
Do her empty arms still yearn
for me alone?
So she'll know how very much I miss her
Angel, while she's dreaming,
won't you kiss her?
Look homeward, angel
One thing I must know
Do her empty arms still yearn
for me alone?
Do her empty arms still yearn for me alone?
