

# Secure Yourself

## Indigo Girls

Secure yourself to heaven hold on tight the night has come  
Fasten up your earthly burdens, you have just begun  
In the ink of the night I saw you bleed,  
through the thunder I could hear you scream  
Solid to the air I breathe, open-eyed and fast asleep  
Falling softly as the rain, no footsteps ringing in your ear  
Ragged down worn to the skin, warrior raging have no fear  
Secure yourself to heaven hold on  
tight the night has come  
Fasten up your earthly burdens, you have just begun  
I'm kneeling down with broken prayers  
hearts and bones from days of youth  
Restless with an angel's wing I dig a grave to bury you  
No feet to fall you need no ground, allowed to glide right through the sun  
Released from circles guarded tight, now we all are chosen ones  
Secure yourself to heaven hold on tight the night has come  
Fasten up your earthly burdens, you have just begun  
Secure yourself to heaven hold on tight the  
night has come  
Fasten up your earthly burdens, you have just begun  
In the ink of the night I saw you bleed  
through the thunder I could hear you scream  
Solid to the air I breathe, open-eyed and fast asleep  
Falling softly as the rain, no footsteps ringing in your ears  
Ragged down worn to the skin, warrior raging have no fear  
Secure yourself to heaven hold on  
tight the night has come  
Fasten up your earthly burdens, you have just begun

Amy:

Secure yourself to heaven  
Hold on tight the night has come  
Fasten up your earthly burdens  
You have just begun  
Secure yourself to heaven  
Hold on tight the night has come  
Fasten up your earthly burdens  
You have just begun  
Now we all are chosen ones  
Allowed to glide right through the sun  
Released from circles guarded tight  
Now we all are chosen ones

Emily:

In the ink of the night I saw you bleed  
Through the thunder I could hear you scream  
Solid to the air I breathe  
Open-eyed and fast asleep  
No feet to fall you need no ground  
Allowed to glide right through the sun

Released from circles guarded tight  
Now we all are chosen ones  
Secure yourself to heaven  
Hold on tight the night has come  
Fasten up your earthy burdens  
Now we all are chosen ones
