Makes Me Wonder

Maroon 5

I wake up with blood-shot eyes Struggled to memorize

The way it felt between your thighs

Pleasure that made you cryFeels so good to be bad

Not worth the aftermath, after that, after that

Try to get you backI still don't have a reason

And you don't have the time

And it really makes me wonder

If I ever gave a fuck about youGive me something to believe in

Cause I don't believe in you

Anymore, anymore

I wonder if it even makes a difference to try

Yeah, so this is goodbye

God damn, my spinning head

Decisions that made my bed

Now I must lay in it

And deal with things I left unsaidI want to dive into you

What you're going through

I get behind, make your move

Forget about the truthI still don't have the reason

And you don't have the time

And it really makes me wonder

If I ever gave a fuck about youGive me something to believe in

Cause I don't believe in you

Anymore, anymore

I wonder if it even makes a difference

it even makes a difference to try

Yeah

And you told me how you're feeling

But I don't believe it's true

Anymore, anymore

I wonder if it even makes a difference to cry

(Although)

So this is goodbyeI've been here before

One day I'll wake up

And it won't hurt anymore

You caught me in a lie

I have no alibi

The words you say don't have a meaningCause I, still don't have a reason

And you don't have the time

And it really makes me wonder

If I ever gave a fuck about you and I

And so this is goodbyeGive me something to believe in
Cause I don't believe in you
Anymore, anymore
I wonder if it even makes a difference
It even makes a difference to try
Yeah

And you told me how you're feeling
But I don't believe it's true
Anymore, anymore

I wonder if it even makes a difference to cry So this is goodbye

So this is goodbye
So this is goodbye
Yeah, so this is goodbye
Yeah, so this is goodbye
