

# Alice

## Cocteau Twins

When I lost him ache  
Shudder shock of pale  
My, my true love  
Nicolo Denotti These days are smoking days  
But they won't see  
(Deceived me) You deceived me  
(With you) Erase it I will not (to stay) Touching her lies (didn't he know Alice?) (I will plead)  
Nodding an excuse you (Alice, Alice, Alice, Alice, Alice)  
would share (Alice, Alice, Alice, Alice, Alice)  
who shall  
(Alice, Alice, Alice, Alice, Alice)  
replace  
(Alice, Alice, Alice, Alice, Alice)  
you  
When I lost him ache  
Shudder shock of pale My, my true love  
Nicolo Denotti  
This is mess I'll smoke away  
And he won't see (pushing me) Look she fell  
(with you) Racing her bike  
(so you) Touching her lies  
(not me) Nodding an excuse you  
would share  
(Alice, Alice, Alice, Alice, Alice)  
who shall replace  
(Alice, Alice, Alice, Alice, Alice)  
you  
(Alice, Alice, Alice, Alice, Alice)  
When I lost him ache  
Shudder shock of pale  
My, my true love  
Nicolo Denotti  
This mess I'll smoke away  
But he won't see  
(Alice)  
Oops she fell  
Racing her bike  
Touching her lies  
Nodding an excuse you  
Would share  
(Alice, Alice)  
Who shall replace her

(Alice, Alice, Alice, Alice, Alice) x3
