

Didn't Cha Know

Erykah Badu

Oh hey...Ooh hey
I'm trying to decide
Which way to go
I think I made a wrong turn back there somewhereOoh hey
I'm trying to decide
Which way to go
I think I made a wrong turn back there somewhereDidn't cha know, didn't cha know
Tried to move but I lost my way
Didn't cha know, didn't cha know
Stopped to watch my emotions sway
Didn't cha know, didn't cha know
Knew the toll, but I would not pay
Didn't cha know, didn't cha know
Cause you never know where the cards may lay
Time to save the world
Where in the world is all the time
So many things I still don't know
So many times I've changed my mind
Guess I was born to make mistakes
But I ain't scared to take the weight
So when I stumble off the path
I know my heart will guide me backOoh hey
I'm trying to decide
Which way to go
I think I made a wrong turn back there somewhereOoh hey
I'm trying to decide
Which way to go
I think I made a wrong turn back there somewhere
Didn't cha know, didn't cha know
Tried to run but I lost my way
Didn't cha know, didn't cha know
Stopped to watch my emotions sway
Didn't cha know, didn't cha know
Knew the toll but I would not pay
Didn't cha know, didn't cha know
I said ya never know how the cards may layLove is life, and life is free
Take a ride on life with me
Free your mind and find your way
There will be a brighter dayLove is life, and life is free
Take a ride on life with me
Free your mind and find your way
There will be a brighter day
