

Like It or Not

Bob Moses

Like it or not
You know it's true
There is most
That you can do
Feeling so small
You feel it too
Like it or not
You know it's true
There is most
That you can do
Feeling so small
You feel it too
Like it or not
You know it's true
There is most
That you can do
Feeling so small
You feel it too
Feeling it all
Inside of you
