

Parking Brake

Dan + Shay

Dash light dripping on your sun tan skin
Radio playing that song again
Just pulling me in, hmm pulling me in
Cut off shorts and a vinyl seat
Slide all over here next to me
Let me pull you in, hmmm, let me pull you in girl Ooo, if you didn't know by now I'm crazy
about you
And I know the perfect place to stop We're smiling honey sucker on the river bank
Fireflies, sweet tea, in the summer rain
Pouring all the way, all the way. Down
Cherry red lips calling out my name
Two-ton Ford and that parking brake
Pulling the stall away, all the way. Down
Hmmm... all the way down Middle of the middle in nowhere now
Go ahead girl, let your hair down
Just close your eyes, it's going to be a damn goodnight
Cut off the engine, toss the keys
Ain't nobody here, but you and me
And a little moonlight
Out here on the country side Ooo, I gotta feeling that's so crazy about me too
Girl and don't you ever stop We're smiling honey sucker on the river bank
Fireflies, sweet tea, in the summer rain
Pouring all the way, all the way. Down
Cherry red lips calling out my name
Two-ton Ford and that parking brake
Pulling the stall away, all the way. Down Ooo yeah.
Ooo, I gotta feeling that's so crazy about me too
Girl and don't you ever stop We're smiling honey sucker on the river bank
Fireflies, sweet tea, in the summer rain
Pouring all the way, all the way. Down
Cherry red lips calling out my name
Two-ton Ford and that parking brake
Pulling the stall away, all the way. Down Those cherry lips call my name
Yeah All the way, all the way, all the way down. Yeah
All the way down
