

# Trouble

## OFFAIAH

I'm facing the bottle,  
for all of my problems  
are nothing but trouble! I'm facing the bottle,  
for all of my problems  
these Instagram models  
are nothing but trouble! I'm facing the bottle,  
for all of my problems  
these Instagram models  
are nothing but trouble!

I'm facing the bottle,  
for all of my problems  
these Instagram models  
are nothing but trouble! I'm facing the bottle,  
for all of my problems  
these Instagram models  
are nothing but trouble! I'm facing the bottle,  
for all of my problems  
these Instagram models  
are nothing but trouble!

I'm facing the bottle,  
for all of my problems  
these Instagram models  
are nothing but trouble! I'm facing the bottle,  
for all of my problems  
are nothing but trouble!
