

Against a Wall (feat. Lofty305)

[Ryan Hemsworth](#)

I love you, love you, love you, love you
I love you, love you, love you, love you Welcome to my life, I wanna share it with you
 When I wake up at night
 Only thing that comes to
 Wish that I could have you closer, closer
 We could get the most of this love we share
 We could be together anywhere, I don't care
 If they stare 'cause I'm your man
 And we could do whatever, baby
 So sweet, so sweet, so sweet
I love you, love you, love you, love you
I love you, love you, love you, love you Welcome to my life, I wanna share it with you
 When I wake up at night
 Only thing that comes to
 Wish that I could have you closer, closer
 We could get the most of this love we share
 We could be together anywhere, I don't care
 If they stare 'cause I'm your man
 And we could do whatever, baby
Welcome to my life, I wanna share it with you
 When I wake up at night
 Only thing that comes to
 Wish that I could have you closer, closer
 We could get the most of this love we share
 We could be together anywhere, I don't care
 If they stare 'cause I'm your man
 And we could do whatever, baby
