

# Against a Wall (feat. Lofty305)

[Ryan Hemsworth](#)

I love you, love you, love you, love you  
I love you, love you, love you, love you Welcome to my life, I wanna share it with you  
When I wake up at night  
Only thing that comes to  
Wish that I could have you closer, closer  
We could get the most of this love we share  
We could be together anywhere, I don't care  
If they stare 'cause I'm your man  
And we could do whatever, baby  
So sweet, so sweet, so sweet  
I love you, love you, love you, love you  
I love you, love you, love you, love you Welcome to my life, I wanna share it with you  
When I wake up at night  
Only thing that comes to  
Wish that I could have you closer, closer  
We could get the most of this love we share  
We could be together anywhere, I don't care  
If they stare 'cause I'm your man  
And we could do whatever, baby  
Welcome to my life, I wanna share it with you  
When I wake up at night  
Only thing that comes to  
Wish that I could have you closer, closer  
We could get the most of this love we share  
We could be together anywhere, I don't care  
If they stare 'cause I'm your man  
And we could do whatever, baby
