

# When You Love Someone

John Rich

When you love someone  
Written by Bryan Adams When you love someone  
You'll do anything  
You'll do all the crazy things  
That you can't explain  
You'll shoot the moon, put out the sun,  
When you love someone You'll deny the truth  
Believe a lie  
There'll be times that you believe  
You can really fly  
But you're lonely nights  
Have just begun  
When you love someone When you love someone  
You'll feel it deep inside  
And nothing else  
Can ever change your mind  
When you want someone  
When you need someone  
When you love someone  
When you love someone  
You'll sacrifice  
You'll give everything you got  
And you won't think twice  
You'd risk it all  
No matter what may come  
When you love someone You'll shoot the moon,  
Put out the sun,  
When you love someone
