Silver Bells

Ray Conniff

City sidewalks, busy sidewalks Dressed in holiday style In the air There's a feeling like Christmas Children laughing, people passing Meeting smile after smile And on every street corner you hearSilver bells, silver bells It's Christmas time in the city Ring-a-ling, hear them ring Soon it will be Christmas day Strings of street lights Even stop lights Blink a bright red and green As the shoppers rush home With their treasures Hear the snow crunch See the kids bunch This is Santa's big scene And above all The bustle you hear Silver bells, silver bells It's Christmas time in the city Ring-a-ling, hear them ring Soon it will be Christmas day Song Discussions is protected by U.S. Patent 9401941.
