

Bare Wit Me

Teyana Taylor

I been telling niggas lies
Tryna split up all my time
With 2 or 3 guys
Cause I can't make up my mind
I know I'm so indecisive
And I know that you don't like it
And I'd never let my guard down
But you steady tryna wife it (oh no)
Don't you see that I got baggage
My heart's way too hard to manage (oh no)
I can't give a nigga my trust
Said you working to change that
But just bare with me
You gotta bare with me
Oh bare with me
Baby just, oh just
Bare with me
You gotta bare with me
Oh bare with me
Baby just, just
Niggas niggas niggas
Wrapped around a finger
I don't think I get it
If you was in the picture
Maybe I would listen
Times I wish I didn't
Memory started
Bare wit me thru heartbreak
Bare wit me thru long days
Bare wit me, don't part ways Nigga nigga niggas
Wrapped around a finger
I don't think I get it
