

Smoke (Interlude) [feat. Soko]

Theophilus London

Say every good girl want a bad boy
That only gonna be good to her
Say every bad boy want a good girl
That only gonna be bad to him
Say every good girl, every good girl
Say every good girl want a bad, bad boy
Say every bad boy want a good girl You make me wanna, you make me wanna be bad
Baby I want, baby I wanna make you mine
You make me wanna, you make me wanna be bad
Baby I want, baby I wanna make you mine
Say every good girl want a bad boy
That only gonna be good to her
Say every bad boy want a good girl
That only gonna be bad to him
Say every good girl, every good girl
Say every good girl want a bad, bad boy
Say every bad boy want a good girl
I want you to teach me how to be bad
I want you to teach me how to be bad
I want you to teach me how to be bad
I want you to teach me just to get bad
