

# O My Soul

## Big Star

O my soul, mama  
I lose control  
Go ahead and shake if you wanna  
And I'll never know  
Well, come on  
You know it's alright  
We've got all night  
You're driving me mad, now  
You shouldn't do that  
We're going to get on up  
And drink 'til we drop You're really a nice girl  
And I think you're the most  
And when we're together  
I feel like a boss  
Trying to see you  
I'd knock off your doors  
Dying to see you  
I'm down on the floor I can't get a license  
To drive in my car  
But I don't really need it  
If I'm a big star Trying to see you  
I'd knock off your doors  
Dying to see you  
I'm down on the floor Never you mind  
Go on and have a good time Never you mind  
Go on and have a good time  
Yes, indeed  
I can't get a license  
To drive in my car  
But I don't really need it  
If I'm a big star Trying to see you  
I'd knock off your doors  
Dying to see you  
I'm down on the floor  
Hey
