Have a Little Faith In Me

Joe Cocker

When the road gets dark
And you can no longer see
Let my love throw a spark
And have a little faith in meAnd when the tears you cry
Are all you can believe
Give these loving arms a try babe
And have a little faith in meAnd have a little faith in me

And have a little faith in me

And have a little faith in me

Have a little faith in meAnd when you secret heart

Cannot speak not so easily

From a whisper start

To have a little faith in me

And when your back's against the wall

Just turn around and you will see

I will catch your fall

Have a little faith in meAnd have a little faith in me

And have a little faith in me

And have a little faith in me

And have a little faith in meWhen the road gets dark

And you can no longer see

Let my love grow a spark

Have a little faith in meAnd have a little faith in me

And have a little faith in me

And have a little faith in me

And have a little faith in me

I've been loving you for such a long time, girl

Expecting nothing in return

Just for you to have a little faith in me

You know time, time is our friend

Cuz for us there is no end

And all you gotta do is have a little faith in meI will hold you up, I will hold you up Your love gives me strength enoughHave a little faith in me Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
