

# Your Love Never Fails (feat. Chris Quilala)

## Jesus Culture

Nothing can separate  
Even if I run away  
Your love never fails I know I still make mistakes  
But You have new mercies for me everyday  
Your love never fails You stay the same through the ages  
Your love never changes  
There maybe pain in the night  
But joy comes in the morning And when the oceans rage  
I don't have to be afraid  
Because I know that You love me  
Your love never fails  
The wind is strong and the water's deep  
But I'm not alone here in these open seas  
'Cause Your love never fails The chasm is far too wide  
I never thought I'd reach the other side  
But Your love never fails, Your love You stay the same through the ages  
Your love never changes  
There maybe pain in the night  
But joy comes in the morning And when the oceans rage  
I don't have to be afraid  
Because I know that You love me  
Your love never fails 'Cause You make all things work together for my good  
And You make all things work together for my good  
You make all things work together for my good  
You make all things work together for my good  
You make all things work together for my good  
You make all things work together for my good  
'Cause You stay You stay the same through the ages  
Your love never changes  
There maybe pain in the night  
But joy comes in the morning And when the oceans rage  
I don't have to be afraid  
Because I know that You love me  
Oh, Your love never fails Your love never fails  
You make all things work together for my good  
You make all things work together for my good  
You make all things work together for my good  
You make all things work together for my good You make all things work together for my good  
You make all things work together for my good  
You make all things work together for my good You make, You make all things work together  
for my good  
You make all things work together for my good

You make all things work together for my good  
'Cause You make all things work together for my good You stay the same through the ages  
Your love never changes  
There maybe pain in the night  
But joy comes in the morning, oh And when the oceans rage  
I don't have to be afraid  
Because I know that You love me
