Parasol

Tori Amos

When I come to terms, to terms with this When I come to terms with this When I come to terms, to terms with this My world will change for meI haven't moved since the call came Since the call came I haven't moved I stare at the wall knowing on the other side The storm that waits for meThen the Seated Woman With A Parasol May be the only one you can't betray If I'm the Seated Woman With A Parasol I will be safe in my frame I have no need for a sea view For a sea view I have no need I have my little pleasures This wall being one of theseThen the Seated Woman With A Parasol May be the only one you can't betray If I'm the Seated Woman With A Parasol I will be safe in my frameWhen I come to terms, to terms with this When I come to terms with this When I come to terms with this whip lash Of silk on wool embroideryThen the Seated Woman With A Parasol May be the only one you can't betray If I'm the Seated Woman With A Parasol I will be safe in my frame Then the Seated Woman With A Parasol May be the only one you can't betray If I'm the Seated Woman With A Parasol I will be safe in my frame I will be safe in my frame In your house, in your frame
