

I Mean You

Chaka Khan, Stanley Clarke, Chick Corea, Joe Henderson,
Freddie Hubbard & Lenny White

Baby, baby, when I look at you
I get a warm feeling inside
There's something about the things you do
That keeps me satisfied I wouldn't lie to you, baby
It's mainly a physical thing
This feeling that I got for you, baby
It makes me want to sing I feel for you
I think I love you
I feel for you
I think I love you Baby, baby, when I lay wit' you
There's no place I'd rather be
I can't believe, can't believe it's true
The things that you do to me
I wouldn't lie to you, baby
I'm physically attracted to you
This feeling that I got for you, baby (Ooh baby)
There's nothing that I wouldn't do (For you girl) I feel for you
I think I love you
I feel for you
I think I love you Play I think it's love
I feel for you
I think it's love
I feel for you
I think I love you
I feel for you
I think it's love Play
I feel for you
I think I love you
I feel for you
I think I love you
