Walk

Pantera

Can't you see? I'm easily bothered by persistence One step from lashing out at you You want in to get under my skin and call yourself a friend I've got more friends like you, what do I do?Is there no standard anymore? What it takes, who I am, where I've been, belong You can't be something you're not Be yourself by yourself, stay away from me A lesson learned in life, known from the dawn of time Respect, walk, what did you say? Respect, walk, are you talking to me? Are you talking to me? Rock your mouth when I'm not around, it's easy to achieve You cry to weak friends that sympathizeCan you hear the violins playing your song? Those same friends tell me your every word Is there no standard anymore? What it takes, who I am, where I've been, belongYou can't be something you're not Be yourself by yourself, stay away from me A lesson learned in life, known from the dawn of time Respect, walk, what did you say? Respect, walk, are you talking to me? Respect, walk, what did you say? Respect, walk, are you talking to me? Are you talking to me? No way punk Respect, walk, what did you say? Respect, walk, are you talking to me? Respect, walk, what did you say? Respect, walk, are you talking to me? Are you talking to me?
