

# Kilo (feat. Clipse & Cam'ron)

## Fat Joe

All around the world today the kilo is a measure  
A kilo is a thousand grams easy to remember  
A kilo is a thousand but did you remember  
Once you touch a kilogram that weight I'll make music K.I.L.O THE KING sayin hello from my  
suga hill ray Nathan he's Romelo  
I plays it like a cello I pull them strings to make them scales teeter totter like  
Balance beams its everything it seems the guns and the glamor the re-compressed birds  
Booked down wit sledge hammers Smille candid cameras goddess in zoom lenses un claimed  
taxes sittin in new benzes  
Champaigne drenches the loafers the bosses lord forgive me theres blood diamonds in  
These crosses suffered major losses then repeat the past.  
Guess I never learned a hard head makes a soft ass  
Yup and soft white makes for hard cash and continental gets with a soft rag like soft batch  
Cookies out the oven getting 13 at a time now thats a bakers dozen All around the world today  
the kilo is a measure  
A kilo is a thousand grams easy to remember  
A kilo is a thousand but did you remember  
Once you touch a kilogram that weight I'll make music Ayo theres blood on the cocain a scene  
that is psycho dope so pure feigns cling to the light pole.  
Wet purer than holy water your wife know that she aint gotta fly to columbia  
For that lipo.(Darkside)  
Cut keys like a locksmith blasphemy but it feels like its gods gift One sniff'll have you kneel  
down and praise me nodding out holding onto your babies.  
A new conec means a few more dreams now watch a nigga flood the streets like  
New Orleans blow like trumpets snorting on the second line fuckin with that white bitch'll  
Have you on the bordeline penthouse in the city got the scenic view and maybe you can  
Fuck Madonna like you pee in a shoe.  
Snowcaps dripping off rock mountains its crack in  
Wonderland Got coke dripping out the fountain.  
All around the world today the kilo is a measure  
A kilo is a thousand grams easy to remember  
A kilo is a thousand but did you remember  
Once you touch a kilogram that weight I'll make music I said a Kilo is a thousand grams but can  
you remember check my agenda snow like  
December coke I'm a emperor go head and taste it numb up your dentures movin in rectas  
Obvious intra no I wont serve you dont mean to offend ya.  
Round table glass up all hail us toast to life money told me will fail us we prevail from the  
Corner now now tell us they got what they dont wanna let them sell us me I cook coke
