

# I Am Not a Robot

## Marina and The Diamonds

You've been acting awful tough lately  
Smoking a lot of cigarettes lately  
But inside, you're just a little baby  
Oh  
It's okay to say you got a weak spot  
You don't always have to be on top  
Better to be hated than love, love, loved for what you're not  
You're vulnerable  
You're vulnerable  
You are not a robot  
You're loveable, so loveable  
But you're just troubled  
Guess what?  
I'm not a robot, a robot  
Guess what?  
I'm not a robot, a robot  
You've been hanging with the unloved kids  
Who you never really liked and you never trusted  
But you are so magnetic, pick up all the pins  
Never committing to anything  
You don't pick up the phone when it ring, ring, rings  
Don't be so pathetic, just open up and sing  
I'm vulnerable  
I'm vulnerable  
I am not a robot  
You're loveable, so loveable  
But you're just troubled  
Guess what?  
I'm not a robot, a robot  
Guess what?  
I'm not a robot, a robot  
Can you teach me how to feel real?  
Can you turn my power off?  
Well, let the drum beat drop  
Guess what?  
I am not a robot  
Guess what?  
I am not a robot  
Guess what?  
I'm not a robot, a robot  
Guess what?  
I'm not a robot, a robot  
Guess what?  
I'm not a robot, a robot  
Guess what?  
I'm not a robot, a robot  
Guess what?  
I'm not a robot, a robot
