## Freedom! '90

## **George Michael**

I won't let you down
I will not give you up
Gotta have some faith in the sound
It's the one good thing that I've got
I won't let you down

So please don't give me up

Because I would really, really love to stick around

Oh, yeahHeaven knows I was just a young boy

Didn't know what I wanted to be

(Didn't know what I wanted to be)

I was every little hungry schoolgirl's pride and joy

And I guess it was enough for me

(And I guess it was enough for me

To win the race? A prettier face!

Brand new clothes and a big fat place

On your rock and roll TV

(Rock and roll TV)

But today the way I play the game is not the same, no way

Think I'm gonna get me some happy

I think there's something you should know

I think it's time I told you so

There's something deep inside of me

There's someone else I've got to be

Take back your picture in a frame

Take back your singing in the rain

I just hope you understand

Sometimes the clothes do not make the manAll we have to do now

Is take these lies and make them true somehow

All we have to see

Is that I don't belong to you

And you don't belong to me, yeah yeah

Freedom (I won't let you down)

Freedom (I will not give you up)

Freedom (Gotta have some faith in the sound)

You've gotta give for what you take (It's the one good thing that I've got)

Freedom (I won't let you down)

Freedom (So please don't give me up)

Freedom ('Cause I would really really love to stick around)

You've gotta give for what you takeHeaven knows we sure had some fun boy

What a kick just a buddy and me

(What a kick just a buddy and me)

We had every big-shot goodtime band on the run boy

We were living in a fantasy (We were living in a fantasy)

We won the race

Got out of the place

I went back home got a brand new face

For the boys on MTV

(Boys on MTV)

But today the way I play the game has got to change, oh yeah Now I'm gonna get myself happyI think there's something you should know

I think it's time I stopped the show

There's something deep inside of me

There's someone I forgot to be

Take back your picture in a frame

Don't think that I'll I be back again

I just hope you understand

Sometimes the clothes do not make the manAll we have to do now Is take these lies and make them true somehow

All we have to see

Is that I don't belong to you

And you don't belong to meFreedom (I won't let you down)

Freedom (I will not give you up)

Freedom (Gotta have some faith in the sound)

You've gotta give for what you take

(It's the one good thing that I've got)Freedom (I won't let you down)

Freedom (So please don't give me up)

Freedom ('Cause I would really really love to stick around)

You've gotta give for what you takeWell, it looks like the road to heaven

But it feels like the road to hell

When I knew which side my bread was buttered

I took the knife as wellPosing for another picture

Everybody's got to sell

But when you shake your ass, they notice fast

And some mistakes were build to last(That's what you get)

That's what you get

(That's what you get)

I say that's what you get

(That's what you get for changing your mind)

That's what you get for changing your mind

(That's what you get)

(That's what you get) And after all this time

I just hope you understand

Sometimes the clothes do not make the manAll we have to do now

Is take these lies and make them true somehow

All we have to see

Is that I don't belong to you

And you don't belong to me, yeah yeahFreedom (Oh)

Freedom

(My) Freedom

You've gotta give for what you takeFreedom (I'll hold on to my freedom)

(My) Freedom You've gotta give for what you take Yeah

You've gotta give for what, give for what, give

May not be what you want from me

Just the way it's got to be

Lose the face now

I've got to live
