

Learn How to Love

Tedeschi Trucks Band

Tired of living without
When others have so much
If I could find someone
To bring that lovin' touch
All this time's been wasted
No more words to spare
And if I knew how to love
I would take you there
I won't let go
I won't give up
I'm gonna learn how to love you
I'm gonna show you somehow
If my time is over
Can I learn how to give?
Can I throw down these chains
And find a new way to live?
I know it won't be easy
All I need is a friend
And with you here by my side
I'm ready to start again
I won't let go
I won't give up
I'm gonna learn how to love you
I'm gonna show you somehow
I will know you
When I see you in my dreams
So take my hand
And follow me to ecstasy
