No Stress (Dub Mix)

Laurent Wolf

I don't wanna work today

Maybe I just wanna stay

Just take it easy cause there's no stress.

I know it's not an awful crime.

Something special in my mind,

Nothing's gonna cause me distress. I text my baby on her phone,

Try to get her sexy body home

That's the way I wanna spend my day.

Got to find an alibi,

Cause I don't wanna waste my time

I don't wanna feel distress.

It's not that I'm lazy

I think I'm just crazy

It's not that I'm lazy

I think I'm just crazy

It's not that I'm lazy

Think I'm just crazy

It's not that I'm lazy

I'm just crazyNo stressI think I'm just crazy

No need to fight against the feelings

Because the life is not depressing

No need to fight against the feelings

Because the life is not depressingNo stress

Oh-oh
