

The Ultimate Showdown of Ultimate Destiny

Lemon Demon

Old Godzilla was hoppin' around
Tokyo City lika a big playground
When suddenly Batman burst from the shade
And hit Godzilla with a bat grenade
Godzilla got pissed and began to attack
But didn't expect to be blocked by Shaq
Who proceeded to open up a can of Shaq Fu
When Aaron Carter came out of the blue
And he started beating up Shaquille O'Neal
Then they both got flattened by the Batmobile
But before he could make it back to the Batcave
Abraham Lincoln popped out of his grave
And took an AK-47 out from under his hat
And blew Batman away with a rat-a-tat-tat
But he ran out of bullets and he ran away
Because Optimus Prime came to save the day
This is the ultimate showdown of ultimate destiny
Good guys bad guys and explosions
As far as the eye can see
And only one will survive

I wonder who it will be
This is the ultimate showdown of ultimate destiny
Godzilla took a bite
out of Optimus Prime

Like Scruff McGruff took a bite out of crime
Then Shaq came back covered in a tire track
But Jackie Chan jumped out and landed on his back
And Batman was injured and trying to get steady
When Abraham Lincoln came back with a machete
But suddenly something caught his leg and he tripped
Indiana Jones took him out with his whip
Then he saw Godzilla sneaking up from behind
And he reached for his gun which he just couldn't find
Because Batman stole it and he shot and he missed
And Jackie Chan deflected it with his fist
Then he jumped in the air and he did a somersault
While Abraham Lincoln tried to polevault
Onto Optimus Prime, but they collided in the air

Then they both got hit by a Care Bear Stare
This is the ultimate showdown of ultimate destiny

Good guys bad guys and explosions
As far as the eye can see
and only one will survive
I wonder who it will be

This is the ultimate showdown
Angels sang out
in immaculate
Down from the heavens

Descended Chuck Norris
Who delivered a kick
Which could shatter bones
Into the crotch
Of Indiana Jones
Who fell over on the ground
Writhing in pain
As Batman changed back
Into Bruce Wayne
But Chuck saw through His clever disguise
And he crushed Batman's head
In between his thighs Then Gandalf the Grey And Gandalf the White
And Monty Python and the Holy Grail's Black Knight
And Benito Mussolini And the Blue Meanie
And Cowboy Curtis And Jambri the Genie
Robocop The Terminator Captain Kirk And Darth Vader
Lo Pan Superman Every single Power Ranger
Bill S. Preston And Theodore Logan
Spock The Rock Doc Ock And Hulk Hogan
All came out of nowhere lightning fast
And they kicked Chuck Norris in his cowboy ass
It was the bloodiest battle that the world ever saw
With civilians looking on in total awe
The fight raged on for a century
Many lives were claimed but eventually
The champion stood
The rest saw their better
Mr. Rogers in a blood stained sweater
This is the ultimate showdown of ultimate destiny
Good guys bad guys and explosions
As far as the eye can see
And only one will survive
I wonder who it will be
This is the ultimate showdown
(this is the ultimate showdown)
This is the ultimate showdown!
(this is the ultimate showdown)
This is the ultimate showdown of ultimate destiny
