

# The Ultimate Showdown of Ultimate Destiny

## Lemon Demon

Old Godzilla was hoppin' around  
Tokyo City lika a big playground  
When suddenly Batman burst from the shade  
And hit Godzilla with a bat grenade  
Godzilla got pissed and began to attack  
But didn't expect to be blocked by Shaq  
Who proceeded to open up a can of Shaq Fu  
When Aaron Carter came out of the blue  
And he started beating up Shaquille O'Neal  
Then they both got flattened by the Batmobile  
But before he could make it back to the Batcave  
Abraham Lincoln popped out of his grave  
And took an AK-47 out from under his hat  
And blew Batman away with a rat-a-tat-tat  
But he ran out of bullets and he ran away  
Because Optimus Prime came to save the day  
This is the ultimate showdown of ultimate destiny  
Good guys bad guys and explosions  
As far as the eye can see  
And only one will survive

I wonder who it will be  
This is the ultimate showdown of ultimate destiny  
Godzilla took a bite  
out of Optimus Prime

Like Scruff McGruff took a bite out of crime  
Then Shaq came back covered in a tire track  
But Jackie Chan jumped out and landed on his back  
And Batman was injured and trying to get steady  
When Abraham Lincoln came back with a machete  
But suddenly something caught his leg and he tripped  
Indiana Jones took him out with his whip  
Then he saw Godzilla sneaking up from behind  
And he reached for his gun which he just couldn't find  
Because Batman stole it and he shot and he missed  
And Jackie Chan deflected it with his fist  
Then he jumped in the air and he did a somersault  
While Abraham Lincoln tried to polevault  
Onto Optimus Prime, but they collided in the air

Then they both got hit by a Care Bear Stare  
This is the ultimate showdown of ultimate destiny

Good guys bad guys and explosions  
As far as the eye can see  
and only one will survive  
I wonder who it will be

This is the ultimate showdown  
Angels sang out  
in immaculate  
Down from the heavens

Descended Chuck Norris  
Who delivered a kick  
Which could shatter bones  
Into the crotch  
Of Indiana Jones  
Who fell over on the ground  
Writhing in pain  
As Batman changed back  
Into Bruce Wayne  
But Chuck saw through His clever disguise  
And he crushed Batman's head  
In between his thighs Then Gandalf the Grey And Gandalf the White  
And Monty Python and the Holy Grail's Black Knight  
And Benito Mussolini And the Blue Meanie  
And Cowboy Curtis And Jambí the Genie  
Robocop The Terminator Captain Kirk And Darth Vader  
Lo Pan Superman Every single Power Ranger  
Bill S. Preston And Theodore Logan  
Spock The Rock Doc Ock And Hulk Hogan  
All came out of nowhere lightning fast  
And they kicked Chuck Norris in his cowboy ass  
It was the bloodiest battle that the world ever saw  
With civilians looking on in total awe  
The fight raged on for a century  
Many lives were claimed but eventually  
The champion stood  
The rest saw their better  
Mr. Rogers in a blood stained sweater  
This is the ultimate showdown of ultimate destiny  
Good guys bad guys and explosions  
As far as the eye can see  
And only one will survive  
I wonder who it will be  
This is the ultimate showdown  
(this is the ultimate showdown)  
This is the ultimate showdown!  
(this is the ultimate showdown)  
This is the ultimate showdown of ultimate destiny
