

# Joys (OFFAIAH Remix)

Roberto Surace

You're the finest I've ever know, finest I ever—If I had a choice  
I'd always choose love  
Finest I ever—  
If I had a choice  
I'd always choose love  
Finest I ever—  
I'd always choose love  
Just as long as it's real  
Finest I ever—My friends say I'm lucky  
To have found someone as good as you  
My love's understanding  
You're the finest I've ever know, finest I ever—  
If I had a choice  
I'd always choose love  
Finest I ever—  
If I had a choice  
I'd always choose love  
Just as long as it's real  
Finest I ever—My friends say I'm lucky  
To have found someone as good as you  
My love's understanding  
You're the finest I've ever know, finest I ever—If I had a choice  
I'd always choose love  
Finest I ever—  
If I had a choice  
I'd always choose love  
Just as long as it's real  
Finest I ever—  
My friends say I'm lucky  
To have found someone as good as you  
My love's understanding  
You're the finest I've ever know, finest I ever—
