

Edge of a Dream (Theme from "Teachers")

Joe Cocker

If tommorow never comes
Would ya still belong to me
Guess i've always known it was meant to be
We took a second chance on love and it carried us away
Now it's gettin' stronger day by day
The closer it gets the further it seems
It's always one step out of reach
On the edge of a dream
You know you are
On the edge of a dream
You know you are
We've been waitin' for this chance to be free
On the edge of a dream
You know you are
And if nothing ever changed
Would you feel the same way too
You know i'll always be there for you
Cos they say the strong survive
And we've nearly made it thru
Now we'll soon be seein our dreams come true
The harder it gets the harder you fall
It never turns out like it seems
On the edge of a dream
You know you are
On the edge of a dream
You know you are
We've been waitin' for this chance to be free
On the edge of a dream
You know you are
Movin' in and out of lov
Ya can't say we never tried
I knew that you believed in me
I can see it in your eyes
On the edge of a dream
On the edge of a dream
On the edge of a dream
Dream on lover
On the edge of a dream
You know you are
On the edge of a dream
You know you are
You know you are
