

Who's Gonna Save Us

The Living End

Who's gonna save us? Who's gonna save us? It's all around me and I just don't understand
It seems all out of place now
And I know it's late but you know what they say now We're under attack now, our work is all
cut out
Whatever happened to your rights
And I know it's late but you know what they say now Who's gonna save us
What they say now
Who's gonna save us So where's the writing on the wall
Who's gonna save us? Who's gonna provide us?
Who's gonna divide us? Who's gonna save us? We're under powered now, trial devoured now
Step aside make way for the new leader
And it's getting late but you know what they say now
Who's gonna save us
What they say now
Who's gonna save us So where's the writing on the wall
Who's gonna save us? Who's gonna provide us?
Who's gonna divide us? Who's gonna save us?
Who's gonna save us? It's all around me and I just don't understand
It seems all out of place now
And I know it's late but you know what they say now
What they say now Who's gonna provide us? Who's gonna divide us?
Who's gonna provide us? Who's gonna divide? Where's the writing on the wall?
Who's gonna save us?
Who's gonna provide us? Who's gonna divide us?
Who's gonna save us?
Lookin' for the writing on the wall
Who's gonna save us?
Who's gonna provide us? Who's gonna divide us?
Who's gonna save us? Who's gonna save us? Who's gonna save us? Who's gonna save us?
Who's gonna save us? Who's gonna save us?
