

# Who's Gonna Save Us

## The Living End

Who's gonna save us? Who's gonna save us? It's all around me and I just don't understand  
It seems all out of place now  
And I know it's late but you know what they say now We're under attack now, our work is all  
cut out  
Whatever happened to your rights  
And I know it's late but you know what they say now Who's gonna save us  
What they say now  
Who's gonna save us So where's the writing on the wall  
Who's gonna save us? Who's gonna provide us?  
Who's gonna divide us? Who's gonna save us? We're under powered now, trial devoured now  
Step aside make way for the new leader  
And it's getting late but you know what they say now  
Who's gonna save us  
What they say now  
Who's gonna save us So where's the writing on the wall  
Who's gonna save us? Who's gonna provide us?  
Who's gonna divide us? Who's gonna save us?  
Who's gonna save us? It's all around me and I just don't understand  
It seems all out of place now  
And I know it's late but you know what they say now  
What they say now Who's gonna provide us? Who's gonna divide us?  
Who's gonna provide us? Who's gonna divide? Where's the writing on the wall?  
Who's gonna save us?  
Who's gonna provide us? Who's gonna divide us?  
Who's gonna save us?  
Lookin' for the writing on the wall  
Who's gonna save us?  
Who's gonna provide us? Who's gonna divide us?  
Who's gonna save us? Who's gonna save us? Who's gonna save us? Who's gonna save us?  
Who's gonna save us? Who's gonna save us?
