## Who's Gonna Save Us

## The Living End

Who's gonna save us? Who's gonna save us? It's all around me and I just don't understand
It seems all out of place now

And I know it's late but you know what they say nowWe're under attack now, our work is all cut out

Whatever happened to your rights

And I know it's late but you know what they say nowWho's gonna save us

What they say now

Who's gonna save usSo where's the writing on the wall

Who's gonna save us? Who's gonna provide us?

Who's gonna divide us? Who's gonna save us? We're under powered now, trial devoured now Step aside make way for the new leader

And it's getting late but you know what they say now

Who's gonna save us

What they say now

Who's gonna save usSo where's the writing on the wall

Who's gonna save us? Who's gonna provide us?

Who's gonna divide us? Who's gonna save us?

Who's gonna save us?It's all around me and I just don't understand

It seems all out of place now

And I know it's late but you know what they say now

What they say nowWho's gonna provide us? Who's gonna divide us?

Who's gonna provide us? Who's gonna divide? Where's the writing on the wall?

Who's gonna save us?

Who's gonna provide us? Who's gonna divide us?

Who's gonna save us?

Lookin' for the writing on the wall

Who's gonna save us?

Who's gonna provide us? Who's gonna divide us?

Who's gonna save us? Who's gonna save us? Who's gonna save us?

Who's gonna save us? Who's gonna save us?
