

# The Wings of Mama's Prayers

Jeff Bates

I've been to church on Sunday  
And I've been in jail  
And I put my family  
Through living Hell  
And I've been a heavy cross to bear  
On the wings of Mama's prayers I spent her last dollar  
On somethin' bad for me  
I finally hit rock bottom  
Couldn't get up on my knees  
But the strength came to lift me up from there  
On the wings of Mama's prayers

(Chorus)

I see her by the bed with a Bible open wide  
Lookin' up at Heaven with tears in her eyes  
She knew when I was troubled  
She knew when I was scared  
And I found salvation on the wings

Of Mama's prayers

(End Chorus)

I was lost in the darkness  
Searchin' for the end  
But the light of Mama's love  
Led me back again  
And if I've got a place in Heaven I'll get there  
On the wings of Mama's prayers (Repeat Chorus)  
I'm still holdin' on  
To the wings of Mama's prayers
