

Home for Christmas (Holiday Version)

Danity Kane

Dashing through the snow
In a one horse open sleigh
O'er the fields we go
Laughing all the way
I look out the window
And see it starts to snow
The neighbors putting up Santa's
The Christmas lights getting hung up
Sadness falls in my face
Knowing you ain't home today
It's been so long since I've seen your face
Way too long 'fore a warm embrace
Why won't you come today
On Christmas day
I want you home
I want you home for Christmas
I want you home
I want you home on Christmas day
So hold my hand
And be with me for Christmas
I want you home
I want you home on Christmas day
I want you home
I want you home for Christmas
I want you home
I want you home on Christmas day
So hold my hand
And be with me for Christmas
I want you home
I want you home on Christmas day
It's hard to be alone
Buying presents when you're gone
For you to see your child's face
To hold your family just one day
Having you put up the tree
Hanging mistletoe just to kiss me
To dress like Santa so the
Kids won't know we bought the presents
Why won't you come today
On Christmas day
I want you home
I want you home for Christmas
I want you home

I want you home on Christmas day
So hold my hand
And be with me for Christmas
I want you home
I want you home on Christmas day I want you home
I want you home for Christmas
I want you home
I want you home on Christmas day
So hold my hand
And be with me for Christmas
I want you home
I want you home on Christmas day
I wish upon a star
That wherever you are
You will think of me
You will think of me
I want you home
I want you home for Christmas
I want you home
I want you home on Christmas day
So hold my hand
And be with me for Christmas
I want you home
I want you home on Christmas day I want you home
I want you home for Christmas
I want you home
I want you home on Christmas day
So hold my hand
And be with me for Christmas
I want you home
I want you home on Christmas day
I want you home
I want you home for Christmas
I want you home
I want you home on Christmas day
So hold my hand
And be with me for Christmas
I want you home
I want you home on Christmas day I want you home
I want you home for Christmas
I want you home
I want you home on Christmas day
So hold my hand
And be with me for Christmas
I want you home
I want you home on Christmas day
