Sundown (Radio Edit)

Chris Lake

Sundown You walk away I should have known To stay away From youLights down You fade to gray I should have known Your heart would stray away Ai-ai-ai Watching the sun go down [x2] Without you [x2] Dumb man You walk away I should have known To stay away From you, youGhost town With faith you play You should have known I'd walk away From you Ai-ai-ai Watching the sun go down [x2] Without you [x2]
