

# Baa, Baa, Black Sheep

## Cedarmont Kids

Baa, baa, black sheep, have you any wool?  
Yes sir, yes sir, three bags full.  
One for my master and one for my dame,  
And on e for the little boy who lives down the lane. Baa, baa, black sheep, have you any wool?  
Yes sir, yes sir, three bags full.  
One for my master and one for my dame,  
And on e for the little boy who lives down the lane.
