

# The Night Song

Ravyn Lenae

Uh-huh yeah  
We gon' do it like this  
Uh, just rock with me now  
Hair down, feeling alright  
Got my edges on tight, it's a party tonight  
Feeling good, yeah I'm feeling polite  
And we're movin' all night, all night, all night  
Hair down, feeling alright  
Got my edges on tight, it's a party tonight  
Feeling good, yeah I'm feeling polite  
And we're movin' all night, all night, all night  
People like to stare  
I don't really care what you think  
Oo, I like my hair today  
I look to the clouds, and they waving hey  
I wanna be no one but me  
I'on give a damn 'bout what you say or think  
I wanna be no one but me  
And all I really need is my own company  
Here's my  
Hair down, feeling alright  
Got my edges on tight, it's a party tonight  
Feeling good, yeah I'm feeling polite  
And we're movin' all night, all night, all night  
Hair down, feeling alright  
Got my edges on tight, it's a party tonight  
Feeling good, yeah I'm feeling polite  
And we're movin' all night, all night, all night  
Ooh, your body to the groove  
You know just what to do  
Ooh, your body like the snow  
You gonna get to lose  
Been a while and I'm really feelin' ok  
Been a while and I'm feelin' pretty  
Ain't ya seen me coming around and jumping  
Ooh, ooh, ooh  
I wanna be no one but me (no one, no one, no one)  
I'on give a damn 'bout what you say or think  
Don't wanna be nobody  
Ooh I love my body  
Tellin' everybody  
Hair down, feeling alright  
Got my edges on tight, it's a party tonight  
Feeling good, yeah I'm feeling polite  
And we're movin' all night, all night, all night  
Hair down, feeling alright  
Got my edges on tight, it's a party tonight

Feeling good, yeah I'm feeling polite  
And we're movin' all night, all night, all night  
Hair down, feeling alright  
Got my edges on tight, it's a party tonight  
Feeling good, yeah I'm feeling polite  
And we're movin' all night, all night, all night  
Hair down, feeling alright  
Got my edges on tight, it's a party tonight  
Feeling good, yeah I'm feeling polite  
And we're movin' all night, all night, all night
