Save the World (An21 & Max Vangeli Remix)

Swedish House Mafia

Into the streets We're coming out We never sleep Never get tired Through urban fields And suburban lifeTurn the crowd up now We'll never back down Shoot down the skyline Watch it on primetime Turn up the love now Listen up now Turn up the love Who's gonna save the world tonight? Who's gonna bring it back to life? We're gonna make it, you and I We're gonna save the world tonightWe're far from home It's for the better What we dream it's all that matters We're on our way, unitedTurn the crowd up now We'll never back down Shoot down the skyline Watch it on primetime Turn up the love now Listen up now Turn up the love Who's gonna save the world tonight? Who's gonna bring it back to life? We're gonna make it, you and I We're gonna save the world tonightWho's gonna save? Who's gonna bring? We're gonna make it, you and I Who's gonna save? Who's gonna bring? We're gonna save the world tonight Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
