

# Diamond Dance (feat. Famous Dex & Rich The Kid)

## HoodRich Pablo Juan

[Hook: Pablo Juan]

My diamonds they splash, VS 1 stones, they looking fantastic  
You can see em hitting through the tint in the Aston  
20 on the pinky ring, got me advancing  
Bust down the Rollie, too many adjustments  
I should just put all this ice in a fanta  
Froze like the North Pole, bag like Santa  
Walk in this bitch and I'm lit like a candle  
Ooo, look at them diamonds dance (4x)

Ooo, look at them diamonds dance, look how them diamonds dance (3x)

[Verse 1: Pablo Juan]

Ooo they dancing, Ooo look how they splashing  
Them diamonds ain't real, they plastic  
I put VS 1 stones in my Cartier glasses  
Them diamonds they looking fantastic  
They see me they getting embarrassed  
I bounce through the trap like a rabbit  
I'm having the cabbage and carrots  
Touchdown the plane, got a jeweler from Africa  
The flaws on my diamond, they looking spectacular  
Sub Zero nigga cold like Alaska  
Run up on my diamond, nigga Imma blast you  
Bought a Rollie, come from cashing the bricks  
Bought a Bentley, blinded myself and I crashed it  
Too many diamonds, these niggas embarrassed  
[?] separate ring, me and molly got married

[Hook: Pablo Juan]

My diamonds they splash, VS 1 stones, they looking fantastic  
You can see em hitting through the tint in the Aston  
20 on the pinky ring, got me advancing  
Bust down the Rollie, too many adjustments
