

Alright

James Fortune

Let's go
Oh, that feels good
But the message is even better
He'll make everything alright
He'll make everything alright
He'll make everything alright
He'll make everything alright
He'll make everything alright
He'll make everything alright
He'll make everything alright
He'll make everything alright
Oh, oh, alright
Oh, oh, alright
You've been going through some tough times
Felt like you would lose your whole mind
Don't you worry, you're not in control
[?] can do the impossible
He'll make everything alright
He'll make everything alright
He'll make everything alright
He'll make everything alright
He'll make everything alright
He'll make everything alright
He'll make everything alright
Oh, oh, alright
Oh, oh, alright
Everything's gonna be alright (alright)
Everything's gonna be alright (alright)
Everything's gonna be alright (alright)
Everything's gonna be alright (alright)
Everything's gonna be alright (alright)
Everything's gonna be alright (alright)
Everything's gonna be alright (alright)
Everything's gonna be alright (alright)
Everything's gonna be alright
Alright, alright, alright
Everything's gonna be alright
Alright, alright, alright
Everything's gonna be alright
Alright, alright, alright
Everything's gonna be alright
Alright, alright, alright
Everything's gonna be alright
Oh, oh, alright
Oh, oh, alright
(If you know it's gon' be alright, say)
It's alright, y'all
(And if you know He will make a way, say)
Everything's gonna be alright
(And I don't care what you going through, y'all)

It's alright, y'all
(I know God will make a way for you, now)
Everything's gonna be alright(If you know it'll be alright, say)
It's alright, y'all
(If you believe [?], say)
Everything's gonna be alright
(I don't care what you going through)
It's alright, y'all
(I know God will make a way for you, now)
