## Etc Etc (feat. Curren\$y & Big K.R.I.T.)

## **Smoke DZA**

[Verse One: Big K.R.I.T.] "Dare I say, player? Fuchsia alligators Looking through my eyesight like looking at a skyline Wi-fi my aura, I'm so online I'm late enough to be on time She dived yours and jumped on mine/It's pimp pimpin', silk lining Plush linens, hand stitching I'm picture perfect, hieroglyphic If she ain't down, her homegirl wit it Turning heads, lock like dreads Caution, no trickin', just excessive grain grippin' Cup full of drank, blunt rolled, I'm lane switchin' Me and King Tut had the same visions Either stay home or come with it Some dig, but most miss it I'm droppin' presents for the ungifted If you was in the lead, the momentum just shifted A-team, 3 kings, 4 great feats Name another Mississippian on a Ski beat" [Hook] We are the best of the best player Take you round the world and up like elevators And they They try to duplicate us but they could never be that's between you and me Etc Etc But they could never be that's between you and me [Verse Two: Curren\$y] "Yeah, unhh, I'm up now, so bitches break trees down Coffee tables turn Funny how funny style Bitches come out niggas like they was pregnant with 'emRun with cleats on these beats, I am not slippin' At your women, FeBreeze venom, I clean kill 'em Green linen, weed so soft I go so hard Think of new flows in my old school car Windex, no streaks on my glass house, and I know you won't rest that ass Bitch, don't get it twisted, hoe, not so fast Jets in the cut, niggas just collectin' like scabs I smash, brushing my Dickies free of the ash A 7 gram bag, ceramic one hitter in my stash Not a thread outta place, eyes red, outta space

Drop bread, get out my face..."[Hook] [Verse Three: Smoke DZA] "No sucker shit, we G'd up, it's a boss movement Just Enjoy This Shit, fuck you thought, stupid? Rappers, as if, they all clueless Cook up skills like a culinary art student We, get it poppin' like we 'sposed to do Instead of kissing ass and sucking dick like most of you Living on your knees, you got no control Fucking haters, kick rocks with open toes Lil' mama wanna roll with some winners 'Cause we got more cheddar and the weed taste better Big bambooze pack, my vision stay blurry Weed purple like a Lakers away jersey Plethora flows, plethora hoes Down to do whatever I like, they don't never oppose Gold diggers tryna get their purse filled But I send 'em straight to voicemail DZA[Hook]
